Why Compulsory Inoculation? Some Questions and Answers

Dog rabies is climbing spectacularly in Los Angeles County. And, no matter what anyone tells you, the threat of rabies deaths to humans is rising right along with it.

The Sierra Madre City Council has taken the initial step to meet this menace by approving the first reading of a city ordinance requiring inoculation of all dogs. The Council voted in the face of heavy and emotional opposition.

The second and final step—approval of the second reading—will meet the same opposition.

By far the greatest number of opponents are sincere and well-intentioned residents who love and want to protect their pets against any discomfort or danger, real or imagined.

But there are a few persons—and their influence has been felt in this campaign—who make a profession out of emotional crusades like the one against inoculation.

The fight against anti-rabies inoculation has followed roughly the same course the country over. So far, six states and many major cities have enacted such a law. In California, at least seven counties and 49 cities have approved it.

In each case, the law ran into the same opposition. It goes like this:

1—Rabies is on the decrease.

Nothing could miss the truth by a greater margin. Los Angeles County put to death 212 dogs in 1955, all of them diagnosed positively as rabid. This figure compares with only 18 in 1954 and 100 in 1953 and accounted for more than half of the 407 dog rabies cases in the entire state.

It is impossible to estimate how many rabid animals were not apprehended and who still constitute a danger to the pets and humans in this area.

Further, 523 persons in 1955 underwent the extremely painful and dangerous Pasteur treatment after exposure to the disease. This figure is almost double the 277 who underwent this torture in 1954.

2—Enforcement of the leash law would obviate the need for inoculation.

So far as I have been able to determine, every community which has only the leash law as a control over rabies finds it administratively cumbersome and impossible to enforce adequately. It provides no protection against strays or wild animals. Even pets on leashes have been bitten by rabid animals.

Los Angeles County has a leash law. Does anyone suggest that the increase in our rabies incidence is due to a lack of desire or competence on the part of our health officers?

3—Vaccination may be harmful to pets.

The Los Angeles County Health Department reports that, out of the hundreds of vaccinations given on voluntary basis, it has no knowledge of a single case where the pet suffered any serious or lasting effect.

On the contrary, vaccination would have saved the lives of the 212 rabid dogs executed in Los Angeles County last year.

In addition, the proposed ordinance provides that the shots can be bypassed "because of age, infirmity or other disability."

4.—The compulsory feature of the ordinance is un-American. Why not make it voluntary?

This is the appeal to emotion. If compulsory inoculation is un-American so is every health ordinance and sanitary and building code ever enacted. Laws, to state the obvious, must be compulsory.

As for voluntary inoculation, in effect we have it now. Anyone can take his or her dog to a veterinary for shots. But voluntary inoculation didn't save the lives of the 212 dogs put to death last year. Nor did it prevent the tortuous treatment inflicted on 523 persons in 1955.

The inoculation ordinance is necessary. If we don't take this step, the state has indicated it will move in with more drastic measures.

The City Council has acted thus far with courage and determination. Approval of the second reading on Jan. 24 will carry this forthright course to its logical conclusion.—W.F.T.

Why Not Copy San Marino?

Taxpayers frequently ask "why can't Sierra Madre operate on a tax rate like San Marino?"

Until this year, San Marino's school tax rate was lower than that of Sierra Madre; last year, San Marino was \$2.76, as against Sierra Madre's \$3.13.

San Marino is a city of 13,000 population, "nationally known as an exclusive residential community with the highest family income in the entire state."

Local tax money available for each student last year was \$513.75. Local tax money for Sierra Madre students was \$107.06.

San Marino spent \$326 last year to educate each student. Sierra Madre spent \$250.68 last year for each student.

A San Marino parent, because his home is assessed at a much higher valuation than the average Sierra Madrean, is paying more to educate his child.

This year San Marino is on a higher rate than Sierra Madre; even with the higher cost, San Marino found it necessary to vote a tax over-ride.

This year San Marino is paying \$3.01 per hundred, for all schools, while Sierra Madre pays \$2.57.

San Marino is a unified district, supporting a complete school system through high school, but paying junior college tax to Pasadena.

San Marino recently built a \$2,000,000 high school, on a 28-acre campus.

Want to make like San Marino?

The Battle Is Far From Over

Here are some things you might remember when you are approached by the March of Dimes campaign, now in progress.

1—While the Salk polio vaccine represents a tremendous advance, the fight on infantile paralysis is far from over. It came too late for 30,000 persons stricken in 1955 and will not reach thousands of others in time to save them.

2—The year 1956 opens with 68,000 polio patients from previous years still looking to the March of Dimes for assistance.

3—Of these 68,000, over 1,000 live in Los Angeles County.

4—Far more funds are expended for polio aid to the Southern California area each year than are donated from it.

Less than five years ago Los Angeles County was the nation's polio center—with more than 3,000 youngsters and adults struck down.

The Salk vaccine holds out hope that no county will ever again hold this tragic distinction, but the success of the vaccine program itself depends in large part upon the March of Dimes.

Without these funds, the Salk program's promise will take infinitely longer to realize—and thousands of Americans will be stricken who could have been saved.

The Sierra Madre quota is only \$4,000. It's a small price to pay to outlaw one of this area's most vicious killers.—W.F.T.

CAMELLIA FESTIVAL

47,007 VISITORS

Space for entries from as many as 2,000 persons is being provided at the Los Angeles State and County Arboretum at Arcadia admitted 47,007 visitors to its 127-acre botanic gardens; it was disclosed in a tabulation by Dr. William S. Stewart, director.

Letters to the Editor Column

Dear Sir:

This is a protest to compulsory inoculation of our dogs.

The rabies germ has NEVER been isolated. Behind this entire inoculation movement are commercial interests solely, not a desire to protect the public.

There is a \$65,000,000 business annually in the inoculation program for veterinarians and chemical houses.

To those who wish inoculation the law could provide for the service, but to force it on all citizens of our fair town is downright dishonest and tyrannical.

At least the law could be optional, not compulsory. This would be true Americanism not dictatorship.

The following residents would deeply appreciate your publishing this letter: Mr. and Mrs. George H. Winchell, 240 S. Canon Ave.; Mr. and Mrs. Gerald Lowe, 528 Santa Anita Court, and Mr. and Mrs. John M. Yeeckley, 529 W. Orange Grove Ave., and the undersigned.

CARL E. and CORA B. JENSEN.

Editor:

It is difficult to understand the purpose of those who are trying to block the passage of the anti-rabies ordinance now pending in our City Council.

Some say they hate to see their pets suffer!

Can there be much suffering in the prick of a vaccination needle?

And what does such slight discomfort amount to compared with the terrible agony of a bite from a rabid dog or other domestic pet?

A death from rabies is indescribable and the suffering connected with the use of the Pasteur treatment—the only known method of combatting rabies—is terrific.

How much better it is to stop rabies before it starts!

True, there have been few human deaths from rabies since the Pasteur treatment was originated. But without this treatment the number of deaths would be great.

Other opponents of the proposed ordinance for the protection of every man, woman and child in Sierra Madre—and their pets—are so confused in their thinking that they say this is "another step in the establishment of a dictatorship!"

Another rather obvious question could be asked at this point. You ask it!

If the family of a neighbor or relative develops a case of smallpox, or diphtheria or yellow fever their home is immediately quarantined to protect you and me. Is that dictatorship?

Those of us who favor the protection which our City Council proposes to provide for all of through this ordinance should make themselves heard at the Council's next meeting.

Sincerely,
WALTER D. THURBER

Gentlemen:

It is incomprehensible to me how anyone can be against rabies inoculation.

In the "Star-News" for Dec. 24, 1955, there was a warning from the American Veterinary Medical Assn., dated Chicago, warning all hunters and fishermen and others who liked to walk in the wilds against petting any fox, coyote, squirrel, rabbit or skunk that might seem friendly or tame. That there was a much greater incidence of rabies in wild animals than most people supposed.

Within an hour the puppy was over his right and I have never seen any change in his health or activity.

I read everything in the Sierra Madre News and would hate to miss a single issue. I am very interested in your and

**Lee Shippey asks
What Do You Think?**

Guess I'll have to make a few people mad today.

I love dogs—so I'm 100 per cent in favor of the ordinance requiring anti-rabies shots for dogs. Our dogs have had them, and they didn't seem to hurt nor to make them ill for even an hour.

For many years, my relatives in Kansas City tell me, that city has required anti-rabies shots every time a dog is licensed, the license fee including the vaccination fee, and they simply haven't had any rabies scares there for years.

Last year Los Angeles County had a shocking number of rabies cases, more than ever recorded before.

Three years ago one of my grandsons, then about 3, had to take Pasteur treatment because the animal which had bitten him looked mad, but disappeared and could not be located for tests. For weeks that baby suffered far more every week—from the treatment until the dog suffered while being vaccinated. Anti-rabies shots protect both dogs and people.

I CAN'T AGREE that the soil bank is a "bold, new idea." It's practically Henry Wallace's "plowing under" idea with a new name.

I ADMIRE BENSON for one thing, though. We can't keep up surpluses. Why not free gifts of surplus food stocks to all school cafeterias, which then would serve meals at cost? Millions of kids would be better fed—and that certainly would help the Sierra Madre school cafeteria.

Twenty years ago it was denounced, by many who now favor it, as wild-eyed socialism, and it helped the big land company more than the small farmer. I recall a newspaper report that a big San Joaquin Valley company, including Herbert Hoover Jr., as I recall it,

was paid more than \$100,000 for NOT planting cotton.

Any person or corporation with thousands of acres of farm land can profitably let 10 per cent of its worst land lie fallow if it is paid for it, but a family trying to wrest a living from 40 or 80 or 100 acres needs the produce of all his land. Every year tens of thousands of small farmers give up and sell their farms to big operators, just as small grocers and bankers give up and are absorbed by big operators.

Millions of Americans are losing their independent individualism. Something must be done to sustain the little fellow and discourage the big boys from gobbling up more land. Maybe 90 per cent of parity on the products of 100 acres, 85 per cent on the next 200 acres and nothing at all above 300 acres would do it.

10 YEARS AGO THIS WEEK, Jan. 17, 1937—The United States government has shipped from the experiment station at Henninger's Flats 6,000 trees to plant on the Sierra Madre water shed, along Sturtevant's Trail and Big Santa Anita Canyon slopes. The trees are big cone spruce, Coaler pine, Jeffery eye pine and knob cone pine. Jeffery Crow is at work planting these, assisted by Tom Read and B. H. Sevier.

E. F. Buhles has occupied his new residence on Highland Ave.

F. R. Yerxa has purchased of C. W. Jones eight lots in the Sierra Madre Park Tract, that portion which was formerly the Thompson Tract.

5 YEARS AGO THIS WEEK, Jan. 17, 1946—R. A. Hawks announces that work has started on a new building for the company to the north of the present plant on East Montecito. It will be of the latest modern construction.

John C. Loomis, 38 W. Sierra Madre Blvd., had a wire last week that his daughter, Ruth, Mrs. Roy W. Havlick of West Hartford, Conn., had made him a grandfather for the second time. The baby is a boy.

Announcement is made of the engagement of Camella Shearer, North Mountain Trail, and Theodore Naville Stack of Los Angeles, formerly of Sierra Madre. Mr. Stack is with CalTech.

Mrs. L. Marsh Appointed by Garden Club

Mrs. Leland Marsh was appointed Sunshine Chairman of the Sierra Madre Garden Club at the dinner-meeting last Jan. 9 by Mrs. Gretchen Newberry, president.

Leonard Barrett, of Barrett's Home Gardens in Sierra Madre, spoke on the subject of philodendrons and their care, which he says is comparable to that of human beings. Plants, he said, need the proper food, water in the right amount, and the daily bath. About 25 varieties of this extensive family were on display.

On Mr. Barrett's last trip to Mexico, he brought back two specimens of an unusual hibiscus which he named Elsa after his daughter.

The object of the Garden Club, among other things, is "to encourage home and civic beautification and to aid in the protection of native plants and trees."

One of the recent projects of the Garden Club was the donating of plants seen in the landscaping of the new Public Library. Membership in this club is open.

Arts and Letters Meeting Jan. 17

Pasadena Chapter of the National Arts and Letters met Jan. 17 in the main Pasadena Library. Membership in this club is open.

Edna Gearhart gave a talk on "Textiles From World Travels." Piano selection were presented by the duo-pianists, Clifford and Phillip Riggs.

Film, Address Will Mark PTA Meeting

Tonight at 8 o'clock in the Sierra Madre School auditorium the January meeting of the Sierra Madre PTA will be held. The meeting will be under the direction of the Mental Health Committee of the PTA, of which Mr. Kenneth Green is chairman.

The program will include a talk and discussion by Mrs. Sue Wagner, welfare and attendance officer for the Monrovia-Duarte school system, and a film, "The School Social Worker," will also be shown.

In keeping with this year's theme of "Team Work Does It," Mrs. Wagner will explain how children in schools are helped and the important part played by many people in helping them.

She also will emphasize the kinds of community resources and programs which can be developed, and which, in cooperation with the schools, can aid and assist the total mental health program of the community.

All parents and members of the community are urged to attend.

Semanon Club Will Sponsor Movie Party

In its first big fund-raising event of the year, the Semanon Club of local teenagers will sponsor a double-feature movie party Wednesday night, Jan. 25, at the Sierra Madre theater.

The double bill, for which Semanons are now selling tickets, includes "The Purple Mask" and "Running Wild." The films were selected by the teenagers themselves to assure a program of "action, thrills and romance."

In Cinemascope and color, "The Purple Mask" stars Tony Curtis, Coleen Miller, Angela Lansbury, Dan O'Herrity and Gene Barry. Set in France, the story parallels the popular "Scarlet Pimpernel."

"Running Wild," co-hit of the program, tells a story of several juveniles who are misled into shady doings. Featured in this picture are William Campbell, Mamie Van Doren, Kathleen Casablanca and Keenan Wynn.

"We appreciate the community's interest in our project," says Danny Peterson, Semanon president, "and we hope teenagers and their parents will make it 'standing room only' next Wednesday night. They'll see a great show."

There will be two complete shows, one starting at 6 p.m. and a late show starting at 9 p.m. Admission charge is 50 cents.

Boy Scouts Meet to Approve Plans for Events in 1956

The Mount Wilson District, Boy Scouts of America, held their first meeting of the year in the Youth Hut Jan. 16, and plans were made for coming Scouting events in the district.

District Chairman Marcus Woodward received the approval of the committee for the appointment of George Lindsay as the new chairman of the District Advancement and Awards Committee, and of Col. Charles E. Morrison as the new chairman of the District Finance Committee.

Edwin Meyer was introduced as the new institutional representative of the Lions Club for Explorer Ship 391; Marvin J. Shoemaker as the new IR of the Trinity Presbyterian Church for Troop 374, and Robert Meinholtz as the new district executive.

The A & A Committee announced a District Board of Review at the home of Marcus Woodward on Jan. 19, the next District Court of Honor for March 5, and the date of Feb. 20 as the deadline for filing applications for advancements and awards in the Council of

He also requested that every Scout in the Mount Wilson District should be at some church service in full uniform on Scout Sunday, Feb. 12. He announced the annual Camporee will be held April 21-22, and that ap-

peals for Cherry Valley should apply early.

Leadership Training Chairman Ray Brown announced a Den Mothers' Training Course at the Sierra Madre Parkhouse, beginning at 9 a.m. Feb. 7. The O & E Committee informed the group that one new unit had been organized last year, and that several new ones were probable for this year.

District Commissioner Reg Barrett requested any persons in the district who might be interested in serving as a neighborhood commissioner to contact him immediately, as more commissioners would strengthen the Scouting program in the district.

Chairman Woodward announced that the new Council headquarters building on Rosemead and Greenhill was rapidly nearing completion; that the Council was planning another Scout Circus for May 26; that individual community strips were to be done away with on Dec. 31, with everyone wearing strips worded "San Gabriel Valley Council," and that the Council Bulletin had changed its name from "Crown Crier" to "Leaders Digest."

Arcadia AAUW Music Section Will Sponsor Tea on Jan. 21

Announcement has been made by Mrs. J. Richard Phares, music section chairman of the Arcadia Branch, American Association of University Women, that the group will sponsor a tea next Saturday at 3 p.m. in the Arcadia home of Mrs. Felix Omelich, 319 Vaquero Road, for the San Gabriel Symphony Orchestra, honoring its conductor, Harold Scott.

Harold Scott

Mrs. Phares stated, "It is the wish of AAUW not only to honor Mr. Scott, but to help in the orchestra's campaign, 'Living Music for Our Valley,' and

to acquaint people with this fine group."

Frank Bradley, program chairman for the orchestra, will present guest artists who will entertain during the afternoon. He will introduce Clifford and Phillip Riggs, who will play several duo-piano numbers; William Winn, clarinet soloist; Warren Langley, pianist, and Byron Arnold of the music department at the University of Southern California and choir master at the Episcopal Church in Monrovia.

Mr. Arnold will present a brief commentary on the program to be given by the orchestra Sunday, Jan. 29, at 3 p.m. in the Monrovia-Duarte High School Auditorium. This program will be offered free of charge, and of particular interest is the fact that the San Gabriel Valley Junior Symphony Orchestra will also play several numbers.

WCTU Will Hear Talk on School Tax

Highlighting the Jan. 26 meeting of Harter WCTU will be a brief talk on the proposed school tax by Mrs. Margaret Buckner of the Speakers Bureau of the local tax election.

The meeting will convene at 2 p.m. at 159 Lowell St., the home of Mrs. Eva Freeman.

Another chapter of the book, "The Way of Sobriety," by J. Audrey Hearn, will be reviewed by Mrs. Jean Hall. Also under discussion will be plans for a future Institute to be held in Sierra Madre.

Those interested in the educational activities of this group are welcome. Please contact Mrs. Eva Freeman at ELgin 5-3666.

Plans were started for the Unit's 31st birthday anniversary which will be celebrated Feb. 23.

During the evening members sewed on bed jackets and bathrobes for the veterans at the San Fernando Hospital.

The members were advised of the new address of their president, Mrs. Evelyn Bauer, 108 N. Mountain Trail, and Mrs. Wayne Beisel, 534 Thompson Drive, Pasadena.

Guests for the evening were Mrs. Clara Larsen of Sierra Madre and her sister, Mrs. Anne Williams of Tabot, Ia.

Mapha Club Hears Talk on Vassar

Mapha Club members met last Monday night in the Arcadia home of Mrs. Earl Welch, 1112 San Carlos Road, for their regular monthly meeting. Co-hostess for the evening was Mrs. William Baugh.

Mrs. Amy Phillipson of Sierra Madre Villa presented a very interesting talk on "A Summer at Vassar With My Children."

Prevention and Relief From Colds and Flu

These are days when colds and 'flu' are going the rounds. Whether it comes as a result of being the shortest days of the year and lack of germicidal ultraviolet rays penetrating through the smog, or just SMOG, period, or the aftermath of holiday consumption of sweets and rich foods, I do not presume to say. Draw your own conclusions for your own case.

As I see it, there are only two things a person can do about colds and flu: the first is to Increase Your Natural Resistance and avoid having them and the second is to ease your distress and shorten the time of affliction by proper treatment if you have been smitten before you could build up your resistance to the 'bug.'

In either case I can help you. I have a practical and successful program to offer those who seriously want to increase their natural resistance so they can avoid colds and flu. I also have very gratifying treatments for those afflicted who earnestly want to get back on their feet with a minimum loss for sick-time. Every day gained back on the job far offsets the cost of treatments. John Webster said "Gold that buys health can never be ill spent."—Adv.

Eteri Club States Meeting Jan. 23

Eteri Club members will meet next Monday evening at 7:45 o'clock at Bethany Church for their regular monthly "work night."

The members will continue their work on the visual aid material for Rev. Mulholland to take back to the mission field in Brazil. Hostesses for the evening will be Mrs. Mattie Hiley and Mrs. Catherine Hunter.

The group met for its first meeting of the year in the home of Mrs. Grace McAndrew, 565 W. Montecito. The president, Mrs. Betty Bush, presided at the business meeting and the Bible lesson was given by Miss Natalie Romans.

The proposed school tax was the chief topic of conversation at coffee hour given by Mrs. Andrew Coscia at her home at 542 Santa Anita Court. Guests were Mrs. Clark Casey, Mrs. J. Johnson and Mrs. Rex Smith. All the women agreed to work for a favorable vote.

BILLY PENNINGTON, son of Mr. and Mrs. William Pennington, of 170 Colony Drive, is up and around after a tonsillectomy. Neighbor children have been talking over the details all week.

WEEKENDING at the Town and Country Club in San Diego are the Rex Smiths and their three children, Rory, Sharon and Sheila.

Sierra Guild Members to Meet Jan. 25

The Exchange Club has entered into many local civic activities during the past year which included sponsoring the Semonian Club, the Camp Fire Girls, Little Coast League baseball, participating in the March of Dimes drive, and selling roses for the Sierra Madre Foothills. These projects will again be supported in 1956.

The new weekly meeting place for the Exchange Club will be the Royal Fountain Grill each Thursday evening at 6:45 o'clock. The program for this evening will include a short presentation, by a speaker from the Sierra Madre School Board, in regard to the coming school tax election.

Mrs. Mabel A. Grill Returns From Trip

Mrs. Mabel A. Grill, 391 N. Mt. Trail, returned to the West Coast last Saturday following a stay of more than three weeks in the East.

Part of her time was spent visiting friends in Alexandria and New Orleans, La., and St. Petersburg, Fla. Mrs. Grill went directly from the plane to her sister's, Mrs. Victor Burgess, in Long Beach and did not arrive in Sierra Madre until last Sunday.

It was so very cold in Florida Mrs. Grill was most happy to return to Sierra Madre and all its activities.

New, we hope newsy, and only a little nosy, notes on the nice neighbors who live over on the southeast slope of Sierra Madre. Most of us live in that new tract called "Santa Anita Estates" which lies just south of Sierra Madre Blvd., but we include those older (in residence not in years) neighbors around us who have been so wonderfully friendly, kind, and helpful to the newcomers.

Several of the pictures are Indian studies, all pastels in oils, and the remainder are oil portraits which the exception of a pastel portrait of Mrs. McIvor's father.

The exhibit will be shown through Feb. 14.

Bedraggled Ranchers At 'Hard Times' Party

By Toni B. Maurin

Sycamore 7-9634

If you like me often writing of news on Old House Road I hope you will understand why. I believe there are more families on this street than any street up in the Kinnero Mesa-Sierra Madre Villa section. This was not always true. There once was a time not too long ago when the entire neighborhood joined together for pot-luck parties once or twice a year. Now it is almost impossible to get them all together at the same time. Nevertheless, it is a very friendly neighborhood, and we all know that we have a friend to turn to when we need a helping hand, a cup of sugar, or a bit of advice.

MR. AND MRS. GEORGE Clark, of 1525 Old House Road, recently were happily surprised at a house-warming party given by Mr. and Mrs. Bud Stires, Mr. and Mrs. Will Higgins and Mr. and Mrs. James Hathcock. The entire party, including drinks, refreshments and music, was brought in to surprise the Clarks. In addition they brought some beautiful gifts for the family room. Lucky a clean house. That would be the day that I had decided to be lazy.

MR. AND MRS. A. E. ACKER, of 3330 Vosburg, just returned from a two-week jaunt to Mexico in their own plane. While they were there they visited friends in Acapulco and Mexico City.

MR. AND MRS. GEORGE B. Holmes, of 1550 Old House Road, recently entertained at a post-Mexico trip buffet and included the four couples that went on the trip with them. The entertainment of the evening was the showing of the movies taken while they were in Mexico.

LITTLE TRUDY PASCHALL, four-year-old daughter of Dr. and Mrs. Jack Paschall of 1324 Sierra Madre Villa, has been temporarily grounded by a fall from their new pony Ginger, which resulted in a broken arm for Trudy.

PRIVATE LARRY GREINER, son of Mr. and Mrs. L. T. Greiner of 3000 East Clarmey Lane, arrived home on Jan. 14 for a brief stay between transfer from Fort Ord to San Antonio where he will be with the Medical Corps.

MR. AND MRS. WILLIAM F. Nash, of 3100 Mesa Los Lane, left Friday, the 13th, for a weekend at the John Osburn house in Corona del Mar. Among those in the party were Messrs. and Mmes. John Osburn, John Baker, William Wetmore, William Althouse, Charles Gates and James Skinner. This is a regular bridge group and although they planned to play a lot of bridge while they are gone Mrs. Nash said that the sailing and golfing attracted them probably even more than bridge.

MENTION in passing that we now have lively competition in the literary world up this way. As you know we have the Hillside News published and edited by David Brearley and now Bill Rittenhouse and Craig Lockard have started publishing the Kinnero Chronicle which is published in the same mimeograph style. They are both dandy little papers and well worth the 3 and 5 cents per copy.

AND IN CASE anyone is interested, our family spent the weekend at Palm Desert at the new home of Mr. and Mrs. E. P. Maurin Sr.

Mrs. Ray Lindman To Be Hostess to Las Jardineras

Mrs. Ray Lindman will be hostess at her home, 3770 Hampton, for the first meeting of the new year of Las Jardineras at 12:30 o'clock Tuesday afternoon. Her co-hostesses will be Mrs. Arthur Krausse and Mrs. Martin Smith.

ANALYST TO SPEAK on the Business Outlook and the Changing World Picture will be discussed by Robert Kaymeyer, business analyst, on the Tuesday Evening Forum at Pasadena City College at 8 p.m. Jan. 24 in the Sexson Auditorium.

New Board for Clipper Club

When members of the Clipper Club, an adult group at Trinity Presbyterian Church made up of couples whose combined ages do not exceed 65, met last Monday night in Fellowship Hall, for their first meeting of the year, the proceedings were under the direction of the new officers.

These new officers included Barbara and Lee Campbell, skippers; Peggy and Joe Smyth, first mates; Pam and Bill Warden, log keepers, and Margarette and Siss Bussey, purser.

Trinity Youth Group Forms Basketball Team

The Wesminster Fellowship, youth group of the Trinity Presbyterian church, has formed a basketball team, "The Trinity Titans," entered in the Pasadena YMCA Inter-Church League.

The nine players are Norman Kramer, Jim Hayden, Dennis Holman, Tom Delahooke, Doug DeLahooke, Jim Bywater, Tom Conner, Bernie Claus and Howard Hargrave.

The games will be played on Thursday nights at the "Y" with the Titans delivering a resounding victory last week in one of their first games.

Howard Lee Near, fiance of Miss Mildred Stauffer, director of Christian Education of the church, is coach of the team.

The youth group meets every Sunday at 7 p.m. in the Fireside Room of the Trinity Presbyterian Church, 3770 E. Sierra Madre Blvd. All students between 10th grade and the end of college are welcome to attend.

Last Sunday evening they hosted the Michillinda Presbyterian Church youth group to hear an outstanding address by Trinity's Rev. Donald H. Ostrander on his Pacific tour of duty last summer as Lieutenant Commander in the Naval Chaplain Reserve.

Miss Stauffer and Mr. Neal are sponsoring the youth group. Jim Bywater is its president.

Betty Herring to Speak at Meeting Of Garden Club

Miss Betty Herring, interior decorator, will discuss "New Color Trends in Home Decoration" at the monthly meeting of the Hastings Ranch Garden Club at 12:30 o'clock Tuesday afternoon at the home of Mrs. John Balluff, 1510 Landfair.

The club is beginning its fourth year with this meeting, under the direction of Mrs. Richard Holman, president, and Mrs. Anthony Alfredo, vice president and program chairman.

Miss Herring is expected to bring carpet samples, drapery swatches and other materials to illustrate her talk. A question-answer period will follow her.

RALLY PLANNED The Democratic State Central Committee will distribute hundreds of invitations to students attending the high schools and colleges of Southern California to attend the FDR Rally and Box Supper Jan. 28 in the Exposition Park Armory. Gov. Robert Meyner of New Jersey will be guest speaker.

DESSERT HOLIDAY ENJOYED

Mrs. H. Vern Gates, 225 Tropical, enjoyed a visit at the Campbell North Verde Ranch in Victorville, Calif. She returned home in time to help celebrate her daughter Jeanne's eleventh birthday anniversary at a family dinner.

ANALYST TO SPEAK

"The Business Outlook and the Changing World Picture" will be discussed by Robert Kaymeyer, business analyst, on the Tuesday Evening Forum at Pasadena City College at 8 p.m. Jan. 24 in the Sexson Auditorium.

A bedraggled bunch of neighbors got together for the Hastings Ranch Dance Club's monthly party Saturday night, carrying out in dress the "hard times" theme of the event.

Gunnysacks covered the buffet table for the hot-dog supper served at midnight, and individual tables were laid with brown paper and centered with candles in tin-can holders and jelly-jar vases of flowers. Prizes of food were given for best costumes.

Host couples for the evening were Messrs. and Mmes. Robert Fainer, Edsel Curry, Charles Ayres and Peter Lubisch.

The club at its last party closed membership at 50 couples, with the provision that couples be dropped upon missing three successive dances, and the membership filled from a waiting list.

Elected to serve as a steering committee for one year were Messrs. and Mmes. Curry, Joe Cummings, Al Pruitt and Howard Hitchcock.

In attendance Saturday night were Messrs. and Mmes. Marvin Anderson, Ed Barnes, Richard Beattie, Brewster Benedict, Ogden Boden, Bob Buttancut, John Calmer, Bill Caldecott, Don Clark, Charles Coates, Joe Cummings, Dan Taylor, Draper Jennings, Russell Pooler.

Also Messrs. and Mmes. Jennings David, Will Stewart, John Fricke, Howard Hitchcock, Phil Saurenman, James White, Harry Masser, Harlan Dunn, Robert Farmer, Dom Giangregorio, Guy Knudsen, Al Pruitt, Gordon Hurter, George Schlueter, Jack Partch, Jack Steffens, Horace Ray, Donald Alsop and Bill Higginson.

The February party of the club will be in celebration of its first anniversary, with a dinner dance planned by the same committee which served as hosts for the first event—Messrs. and Mmes. Draper Jennings, Dan Taylor, Howard Hitchcock and Robert Buttancut.

Michael Cline, son of Mr. and Mrs. Warren H. Cline, 1215 Hastings Ranch Drive, marked his eighth birthday anniversary at a theatre party.

Among those enjoying the afternoon's fun were David Winkler, Chip Shiner, Betty Walton, Ronny Frempter and the guest of honor's sister, Marcy Kating, Mrs. Joe Boggs, Mrs. Lillian Splaver and Mrs. Beverly Sen-Candy, and brother, Steven.

MARSHALL HAD another unusual assembly in the auditorium last Friday. We saw a very fine movie, Walt Disney's "Nature's Half Acre" in Technicolor. Among other things, it showed how the birds live and the cycle of the flowers.

THE 9TH GRADE Spotlight Day went over swell on Jan. 11, but the biggest will be the 7th Grade Spotlight Day when practically all the 7th Grade moms will come to school.

RAINBOW GIRLS, Assembly 107, held their 31st public installation Saturday night, Jan. 14 at the Lamanda Park Masonic Temple, 25 S. Sierra Madre Blvd. A reception and dance followed the ceremonies.

Sandy Witter, a senior at Pasadena High School, was installed as worthy advisor; Esther Taylor was installed as mother advisor. Joan Christianson, retiring worthy advisor, served as installing officer, assisted by Mary Jo Wilhelmi, Carolyn Morgan, Dorothy Williams and Sandy Miller.

The officers that were installed included Marilyn Hoffman, worthy associate advisor; Peggy Unwin, charity; Diane Watson, hope; Marcia Lowe, face; Carolyn Clapp, recorder; Brenda Huston, treasurer; Marcia Huston, chaplain; Lee Fuller, drill leader; Sherrie Cilman, love; Joanne Sturdivan, religion; Valerie Tasker, nature; Ree Ann Booth, immortality; Carol Cogswell, fidelity; Irene Snell, patriotism; Sandra Lewis, service; Karen Slink, outer observer, Linda Jordan, confidential observer; Sue Jordan, choir director, and Pat Collier, musician.

RETURNS FROM HOSPITAL The Henry E. Huntington Library and Art Gallery opened an exhibition of the Lipton Collection of Antique English Silver Designed for the Serving of Tea on Jan. 17. The exhibit consisted of about 100 pieces of important silver dating from the reign of Charles II to that of George IV.

Friends and neighbors were happy to learn Hugh Campbell, father of Mrs. Orville J. Johnson, 1215 Tropical, who is visiting in the Ranch from Minneapolis, Minn., is home from St. Luke Hospital where he underwent emergency surgery.

Max Willis was best man and the ushers were A. J. Metzinger and William Fehlings.

The newly married couple are graduates of Pasadena City College and the groom served with the U.S. Army in Korea.

Following a reception held in the social hall at the Chapel, the couple left for a honeymoon at Las Vegas. They will make their home in Pasadena.

Retired Pastor Visits Daughter Here

Viola Takaro and Mrs. Wendell Booth, standing, and Dr. and Mrs. Geza Takaro

Dr. and Mrs. Geza Takaro of New York City arrived in the Ranch last week for a three-month visit with their son-in-law and daughter, Mr. and Mrs. Wendell J. Booth, 3755 Denair, and their daughter, Wendy.

Dr. Takaro has recently retired as pastor of the Hungarian Reformed Church in Manhattan after 32 years of service. His first 20 years in the ministry were spent in Budapest, Hungary, where he was born, married and his seven children were born.

He has made extensive tours of the Holy Land and has written several books, in Hungarian, on his travels and Biblical studies. Currently, he is writing a book, in English, on the relationship of science and religion.

Four of the Takaro children and their families are making

their homes in New York, while two, Viola Takaro and Mrs. Booth, are living in California. One son, a thoracic surgeon, is returning to the States in the near future, after two years of practice in India.

Mrs. Takaro's uncle was mayor of Budapest and her father was city architect and controller in Budapest. The Takaros are the only members of their family living in this country and since Budapest is "behind the Iron Curtain," they hear only about once a month from their relatives in the homeland.

He and his family came to

the United States in 1922 for the prime purpose of heading the Manhattan church. Fifteen years of his time were spent as professor of Hungarian language and literature at Columbia University.

Mrs. Eugene Rode's lieutenants are Mrs. Robert L. Farmer, Mrs. Mack L. Hanson, Mrs. Carlton Wright Jr., Mrs. Wayne S. Blackman, Mrs. H. Vern Gates, Mrs. Joanne Smith, Mrs. Edward W. Watts, Mrs. Eleanor Foster, Mrs. Bertram L. Potter and Mrs. Don C. Holcomb.

The Schooner Club of Trinity Presbyterian Church, a group of couples whose combined ages are between 65 and 80 years, will have its first meeting of 1956 in Fellowship Hall on the evening of Jan. 23 at 7 o'clock.

Those new officers presiding for the first time will be Faith and Wesley Williamson, skipper; Doris and Lou Jennings, first mates; Doris and Jan Hjorth, log keepers, and Marian and Lee Infield, pursers.

The March of Dimes is working toward "total protection" against polio, according to Mrs. Fred Hoffine, chairman of the East Pasadena area Mothers' March, who urged that householders respond as generously as they are able when neighborhood women call for their donation, whether or not they already have given.

It was through March of Dimes funds, a good share of them received from the annual "Mothers' March," that the Salk vaccine was developed, and through the funds, many thousands of polio sufferers have been cured or given treatment.

Ranch Student Gets Practical Education in TV at Antioch

Kirk T. Smallman, son of Mr. and Mrs. Robert Smallman, 3870 Shadow Grove, recently completed two months' work at a Columbus, Ohio, TV station, as part of his university program at Antioch College.

The Smallmans held their Christmas celebration over New Year's when Kirk was able to come home—and he came home very pleased about the assignment at WTVN-TV.

Kirk is interested in TV, but is majoring in business, hoping to combine the two. He attended PCC for two years, and is in his first year at Antioch, with two more to go, since it is a five-year school.

Antioch, founded some 100 years ago by Horace Mann, is known for its pioneering in education, and arranges for its students to enjoy practical vocational experience along

Episcopal Church Auxiliary Will Hold Annual Meeting

The Annual Diocesan Meeting of the Women's Auxiliary to the National Council of the Protestant Episcopal Church in the United States will be held at St. Paul's Cathedral, 615 S. Figueroa St., Los Angeles, on Jan. 24.

The meeting will begin with Holy Communion at 10 a.m., celebrants being Bishops Bloy, Campbell and Gooden of the Diocese of Los Angeles, and Bishops Remington and Mitchell.

Students will participate in this discussion under the leadership of Mrs. R. Ordin.

Cantor George David will assist Rabbi Steckel by chanting the hymns and prayers. Mrs. Herbert Stevens at the organ will lend her assistance with the singing.

For this evening's Oneg Shabbath, which follows the services, Mr. and Mrs. Benjamin Parker of Pasadena will be hosts. A cordial welcome is extended to all.

Faith Lutheran Sunday School Staff Will Meet

The Sunday School Staff of Faith Lutheran Church will conduct its monthly meeting next Tuesday at 7:30 p.m.

Serving as secretaries of the school are the Mimes, Merrill Johnson and James Leehy, who will present their 1955 reports.

Beginning the evening program will be the study session on "New Testament History." This is the subject which the staff members chose last September for the teacher-training series. Members of the parish who wish to prepare themselves to serve on the Sunday School Staff are invited to attend this feature.

Rev. A. Hesse, pastor of Faith Church, reports that the appointment of the 1956 Sunday School superintendent has not yet been made official. This action is expected to take place at this evening's meeting of the Church Council.

Film Will Illustrate Relativity Theory

The theory of relativity stars in the latest Moody Institute of Science film, "Time and Eternity," which will be shown at the Bethany Church, 93 N. Baldwin, Sierra Madre, Jan. 22 at 7 p.m.

With imagination and humor, "Time and Eternity" shows how time is related to space and motion.

Especially designed cameras were used in this film to compress time or to stretch it and take us swinging off into space—giving a revolutionary idea of time.

"Time and Eternity" runs about 45 minutes and is in full color. It is seventh in the "Sermons from Science" series of gospel-science films produced by Dr. Irwin A. Moon of the Moody Institute of Science, Los Angeles, a branch of Moody Bible Institute, Chicago.

Methodists to View 'Trip Around World'

"A Trip Around the World" is being sponsored by the Sunday School of the Sierra Madre Methodist Church, in connection with missionary emphasis Sunday in the church, with a special showing of color slides at 5:45 p.m. this coming Sunday at the church.

Highlights of a world tour taken by the parents of Lucy Heller, an hour-long program, will be of interest to every member of the family.

Church of Ascension Elects Vestrymen at Annual Meeting

The Annual Parish Meeting of the Church of the Ascension was held on Jan. 15 in the Parish Hall.

The following men were elected to the Vestry: Hall Perry, Frank Shippey, Otho Lord and Dr. E. F. Morton. They will serve along with Charles Waugh, Senior Warden; John Cooper, Junior Warden, and James Lester, Hans Luderer, and Kenneth Rickard. Frank Shippey was elected clerk and Richard Hartley was re-elected treasurer. The rector, Father Smith, was elected President of the Corporation.

Delegates to the Pasadena Convocation were elected as follows: Mrs. Helen Hutton, Mrs. Lorena Cable, Mr. Emerson Reichard, Mr. James Lester and Mr. John Cooper.

Delegates elected by the Vestry to the Diocesan Convention were: Hans Luderer, Emerson Reichard and Richard Hartley. Alternates are Charles Waugh, Frank Shippey and John Cooper.

Following the rector's report to the congregation, in which he outlined plans for the coming year—which included the re-working of the playground, an additional building for the school and plans for a new rectory—the various organizations of the parish made their reports and all showed a substantial balance in the bank after a successful year.

The rector expressed his gratitude to the organizations for their faithfulness and loyalty during the past year.

During the meeting the rector appointed Mrs. Kenneth Rickard as Altar Guild Director, succeeding Mrs. Robert Bryant, and Mrs. James Lester as Flower Chairman.

At the first vestry meeting following the annual parish meeting, plans were made for the purchase of a new pipe organ for the church, which it is hoped can be installed during the coming year.

Luncheon was served to the 100 members of the parish present by St. Catherine's Guild.
